The screenshot shows a web browser window with the URL <https://3dmapping.cloud/about-coupons/>. The page features the 3D Mapping Cloud logo and a navigation menu with links for PRODUCT, PRICING, HELP CENTER, SIGN UP, and SIGN IN. The main content area is titled "About Coupons" and includes the following sections:

- Concept**

With a Coupon, you can make the payment for another organisation's 3D Mapping Cloud account.

There are several situations in which this is useful. Let's first learn how to do this.
- Using Coupons**
  - Buy a Coupon**
    1. As account Owner or as Billing Agent, go to the Console Page 'Account > Coupons'.
    2. Choose which Plan you wish to buy, and perform the purchase.
    3. Your purchase will appear on your next invoice.
    4. The Coupon is a code you can now hand to your partner.
  - Redeem a Coupon**
    1. If you received a Coupon Code from a partner, you can use this Coupon to Sign Up to 3D Mapping Cloud.
    2. You can upgrade from a Trail account, or just Sign Up.
    3. Enter the Coupon Code in the appropriate field

	Support & Training	Support Tickets

3DM Blur & Erase

Production, Service, QC

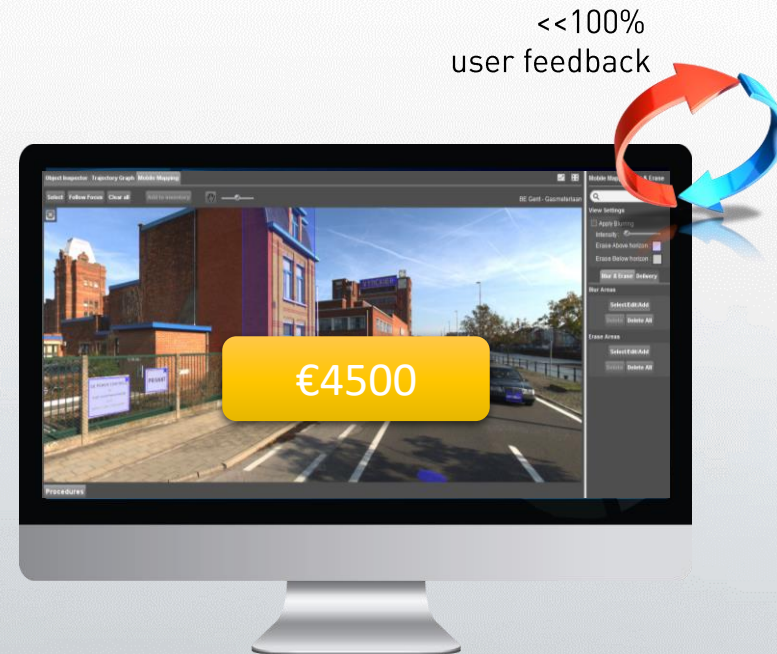

3DM Blur & Erase Production

OR

Orbit Blur & Erase Service

3DM Blur & Erase QC

## Support & Training

## Support Tickets

All Fees via Service Tickets

All training, support consultancy and other services are to be paid upfront as Service Tickets.

NAME	SPECS	PRODUCT CODE	BASE PRICE EUR PURCHASE	BASE PRICE USD PURCHASE
Service Ticket	pre-purchase, per ticket	OGS-TICKET-1	150 €	\$ 180
Service Ticket	pre-purchase, 10 tickets	OGS-TICKET-10	1 350 €	\$ 1 620
Service Ticket	pre-purchase, 50 tickets	OGS-TICKET-50	6 500 €	\$ 7 800

**Training**

Training fees exclude cost of travel, stay, optional office and/or IT rental and applicable taxes. Trainees are considered to have prior proper knowledge of Oblique imagery and GIS.

Training on-site allows up to 6 trainees, up to 10 present. Customer must provide IT and training infrastructure. Training at Orbit GT Office allows up to 4 trainees. Orbit GT provides IT and training infrastructure, trainees are requested to bring their own qualified laptop (BYOD).

NAME	SPECS	PRODUCT CODE	#SERVICE TICKETS
Standard 1 Day Training / Service	Orbit GT Office	OGS-TRN/OFF-1D	7 service tickets
Standard 1 Day Training / Service	OnSite	OGS-TRN/SITE-1D	12 service tickets
Standard 5 Day Training / Service	Orbit GT Office	OGS-TRN/OFF-5D	30 service tickets
Standard 5 Day Training / Service	OnSite	OGS-TRN/SITE-5D	50 service tickets

**IMPORTANT : Training fees must be paid by purchased Service Tickets, not by Service Tickets earned for free.**

**Support**

Support covers all other services next to training. Support fees exclude cost of travel, stay, optional office rental and applicable taxes.

A single Service Tickets is defined as assistance for one issue, problem, or question relating to the use or installation of an Orbit GT product, regardless of the number of communications required. To be eligible for Service Tickets, the same preconditions apply as for other support within the MSA, meaning that at least the requesting party must be properly trained for the product at hand.

Personal Webinar is an online assistance at the same conditions as Service Tickets, with predefined agenda and scheduled in accordance.

NAME	SPECS	PRODUCT CODE	#SERVICE TICKETS
Personal Webinar	pre-purchase, per 1 hour	OGS-WEBINAR-1H	2 service tickets
Remote Installation Service	pre-purchase, 1 session	OGS-REMINST-1	4 service tickets
Post-Collection Calibration Service	pre-purchase, 1 session	OGS-PCAL-1	10 service tickets
Consultancy	Per day	OGS-CONS-1D	15 service tickets

All Service and Support conditions are described in the EULA, chapter Master Service Agreement, which prevails over this document.

- All training, support consultancy and other services are to be paid upfront as Service Tickets
- Training fees exclude cost of travel, stay, optional office and/or IT rental and applicable taxes
- Support covers all other services next to training
- A single Service Tickets is defined as assistance for one issue, problem, or question relating to the use or installation of an Orbit GT product, regardless of the number of communications required.

<b>Support</b>	<b>per issue</b>	<b>1 ticket</b>
